

Fascinating, Weird, Odd, Cool, Interesting, Quirky Facts

Wow, lucky you! It's your turn to find out some really cool information to share with our class. Your wise words will amaze us. 😊

Over the week please try to discover something amazing that you can share with our class. You might have a book, a friend, a computer site, newspaper or any other great source of information to find your fascinating fact from.

Please be ready to share your knowledge with us on Thursday morning (9am)p. You are welcome to invite your family to come along and hear you share too if you would like to. 😊

Your Challenge

Discover an interesting, amazing, odd or simply fascinating fact.

Find a way to share it with us. You might ...

- talk about it
- make a poster
- blog about it
- write about it

bring along a prop to talk about
anything else you can think of 😊

Try to tell us

- What your fact is
- How you discovered it
- Anything else you think would be interesting for our class

When you share your information try to speak in a clear voice and be ready to answer some questions from your class mates!
